No. 254 – F/ 15– 2021

7th May, 2021

NOTICE

Wherein various steps have been taken by the State Government to control COVID-19 pandemic situation, and, one of such steps is cancellation of Local Trains and restrictions imposed on Public Transports and Metros, and, in the wake of such critical conditions it is unfortunate to have received several mails and deputations from the Intern Students of almost all Para Medical Courses under the SMFWB to waive their internship duty and to give clearance certificate etc.

Paramedical interns who have claimed as such should be kept in mind that our country particularly the State of West Bengal is passing on acute crisis of Paramedical manpower apart from beds, medicines and oxygen etc. After completion of training when they will get Diploma they will assist Doctors in their respective Paramedical discipline of training.

Keeping in view, as above, it has been decided by the competent authority of the State Medical Faculty of West Bengal as under: –

1. The question of waiving up the period of Internship cannot be acceded to.
2. If any Paramedical intern is unable to attend his/her Parent Institution for internship training due to not availability of transport/ train services, he/she may attend any SMFWB's affiliated institution located near to his/her residence for completion of the residual part of his/her Internship training.

Note:- In such cases Interns have to obtain certificate from the affiliated institutes where he/she undergone Internship training and to submit to his/her Parent Institute so as to enable his/her parent Institute to issue composite certificate and forward the same to State Medical Faculty showing the period of Internship for 6 (six) months which is required for issue of Diploma by the State Medical Faculty of West Bengal.

302548758/

3. All concerned Institutions are being advised to accept students from SMFWB's Affiliated Private Institutions/ Government Institutions for arrangement of their Internship Training for the remaining period, and, issue a certificate thereof for the period of training.
4. The Interns who could **not** join/continue Internship Training, their cases would be guided in terms of notification published earlier vide no. 181 F-15/2021 dated. 20th April 2021.

5. Stipend :-

Only candidates who would continue internship training at their parent institutions now and also those who would join later showing justifiable grounds with parent/guardian's supportive documents (vide no. 181 F-15/2021 dated. 20th April, 2021) would be eligible to receive stipend.

Save as above, cases of all others would be non stipendary.

[D.K. Ghosh]
Secretary, SMFWB

No.	255	-F/15-2021	7 th May, 2021
-----	-----	------------	---------------------------

Copy forwarded for information and necessary action to :-

1. Principals/ Directors- Medical Colleges/ Government Institutions
2. Heads of all Affiliated Institutions under SMFWB
3. Website/Notice Board of SMFWB

Requested to allow students of SMFWB undergoing Internship at any Medical colleges and Institutions - both Government and Private to complete their residual part of training and to issue certificate thereof.
